MBI General Manager, Service Department Receives LEED Professional Accreditation

Miller Bonded Inc. is pleased to announce that Bill Chandler, General Manager, Service Department, recently earned his Leadership in Energy and Environmental Design (LEED) Accredited Professional (AP) credentials.

Miller Bonded Inc. looks forward to sharing Chandler's understanding of green building practices and principals with their current and future clients. Chandler has been with Miller Bonded Inc. since 2005.

About Miller Bonded

Miller Bonded, Inc. is the single-source contractor for the design, construction and maintenance of mechanical systems in office buildings, schools, universities, colleges, hotels, industrial plants, casinos, retail centers, restaurants, prisons and hospitals. In 1995, Miller Bonded was formed through a merger of Miller Metal Company and Bonded Plumbing & Heating. The company brings more than 100 years of combined experience in mechanical contracting.
